- Radiofrequency skin tightening

Skin Needling

Single Treatment

90mins | €200

Course of 3 €550

(includes post treatment care)

Micro needles are used to create a controlled injury within the dermis to stimulate growth factors and collagen. Working at a dermal level this will have anti-ageing and skin renewal benefits. Recommended for scar tissue, acne scarring, pigmentation and ageing skins. Needles are used to stimulate hydration, smoothing of fine lines and overall plumping to achieve that envious glow. Suitable for all skins specifically dull, dehydrated, aged skins.

IPL Skin Rejuvenation

IPL is a very popular skin correction treatment that helps those who have imperfect skin due to over exposure to the sun. Intense Pulsed Light [IPL] treats and corrects a wide range of facial concerns safely and effectively, such as broken capillaries, freckles, age spots and uneven skin texture.

IPL Skin Rejuvenation Consultation

30 mins | Complimentary

We offer a complimentary consultation to all clients considering this treatment. This takes 30 minutes and includes a patch test (if suitable). We request that no false tan (2 weeks) or retinols / AHAs (5 days) be used on the area you are considering treating in advance so we can carry out a patch test.

IPL Skin Rejuvenation

30 mins | €200 per session
Course of 4 | €640

Radiofrequency Skin Tightening

Radio-frequency skin tightening is an aesthetic technique that uses radio frequency energy to heat skin with the purpose of stimulating cutaneous collagen, elastin and hyaluronic acid production in order to reduce the appearance of fine lines and loose skin. It has an immediate effect on the skin but is best performed as a course of treatments for optimal results
