Genesys Microneedling

Skin needling is the go to treatment for skin rejuvenation. It works by using tiny needles to cause a controlled minor trauma to the skin, encouraging the body to promote healing in the skin and trigger collagen & elastin. It delivers real results in overall skin rejuvenation.

With the right blend of ingredients used for your skin concerns

Microneedling will :

- Minimise fine line
- Reduce pore size.
- Increase your skin's natural collagen formation.
- Scar reduction and acne scarring.
- Smooth congestion.
- Help with sluggish skin that is slow to heal post breakouts
- Single Session | €200
- Course of 3 | €550

Genesys Bio Meso PDRN Liquid Microneedling

GENOSYS Bio-Meso™ PDRN is a professional-grade skin treatment designed for repair, regeneration, and rejuvenation. Clinically proven and scientifically backed, this next-generation therapy delivers enhanced skin health, hydration, and texture improvement – all while preserving the skin barrier.

Bio-Meso™ PDRN is a safe, highly effective alternative to traditional microneedling, achieving similar results with minimal discomfort and downtime.

Ideal for:

- Scarring & uneven texture
- Acne & rosacea-prone skin
- Aging skin & fine lines
- Dull, lacklustre skin
- Dehydrated skin
- Skin discolouration & pigmentation

Single Session | €200

Course of 3 | €550
